MEET THE FAMILY

Too bad we couldn't get the whole bunch in – But you get the idea. HP, Tektronix and Sorensen, Fluke, GR and Dana, CMC, Singer and Alfred – They're all here – They're all available!

These fine instruments and hundreds like them can be rented for one month or longer whenever a short term requirement arises. One rental rate covers all maintenance and repair, all standard accessories, and instruction manuals, all calibration, insurance and shipping. Special rates for long rentals. Whether you want one instrument or ten – Call the nearest Continental Rental Sales Office.

For a 30 day no obligation reservation specify the instrument you need and when the reservation should start _____
